TOSHIBA

A4 SIZE BUT A3 FEATURES

The new e-STUDIO2822AF is a compact A4 size multi-function product with A3 capabilities that are perfect for small to medium-sized offices. Printing at 28 pages per minute, the device is equipped with versatile functions that not only meet but exceed your expectation.

It offers one of the lowest Total Cost of Ownership in this category and durability is further enhanced by its long-life design that also makes the machine more reliable.

CONVENIENT OFFICE APPLICATIONS

ID Copy

Copy both sides of the card onto single side paper, saving time & paper. This eliminates the time consuming steps of manually flipping the paper for copying the other side of the card.

Scan to USB/Email/Folder

Scanned file can be stored directly onto USB drive with greater

Scan-to-email/folder reduce the cost of hardcopy distribution, saving cost and time.

Compact A4 Size

A3 capabilities in a compact A4 footprint that gives you flexible functions without compromising on workspace.

Universal Print Driver

Unified access to any print device, simplifies printing with enhanced convenience.

USB Direct Print

Image files stored in USB flash drive can be printed with just a touch of a button

Security User/Device Management

Ease in device/user management with the use of department

Cloud & Mobile Applications with e-BRIDGE Print & Capture

Intuitive and yet simple connection to MFP that allows user to print/scan easily via mobile device.

Print directly from mobile device to Toshiba MFPs. Scan file directly to Google Drive, Dropbox, OneDrive.

Seamless connection to the MFP via WiFi option. This function allows mobile devices to connect to MFP directly.

Beware of Imitation or

Remanufactured Parts and Supplies.

Only Toshiba genuine parts & supplies are compliant to the RoHS directive & MSDS certified. Even though they may say "for use in Toshiba," or "equivalent reliability and performance", third party supplies can't match Toshiba's exacting quality standards. They don't undergo Toshiba's stringent qualification and rigorous testing to ensure that all components work together in perfect harmony. Plus, they void your warranty. Be Smart. Be Safe. Always purchase from an Authorised Toshiba Distributor so you can be sure you're not inadvertently installing imitation/remanufactured supplies, which can shorten product life, hamper productivity, and irrevocably damage your Toshiba equipment.
